What If I Told You I Was In The Work With My
The Way I Be Feeling With You Don't Be Surprise
And This Might Make You Cry Cause I'm Gon Tell You
Why
That I Wasn't Messing With My Phone On Last Night

It Started Out As A Silly Game
Way To Much Flirting Over Champagne
Some How My Car Drove To A Stop
She Ended Up On Top I Should've Stopped
But The Hardest Thing For Me To Say Is I Did It
Should've Just Walked Away But I Didn't
Thought That It Would Be Ok If I Admit It
Girl I Can't Lie To You Gotta Be Striaight With You

You Never Thought That I Was Sitting With Her
Did You Babe You Only Thought That I Was Friends
With Did You Babe Gotta Let You Know That I'm Wrong
But I Wanna Keep Going On Please Forgive And Forget
It
Cause Baby I Did It

I Know I Told You She Didn't Meen Shit To Me
She Was Just A Homie That I Knew From Way
Back Then And Baby That Was True I Didn't Lie To You
It Only Happen Once But It Ani't Gon Happen Again

It Started Out As A Silly Game Way To Much Flirting
Over Champagne Some How The Car Drove To Her Stop
She Ended Up On Top I Should've Stopped
You Are More Than Heaven Sent To Me
I Did You Wrong And It's Scaring Me But
Don't Leave Cause Your What Heaven Sent To Me
I'll Start To Man Up And Take Responsibilities

The Hardest Thing For Me To Say Is I Did It
Should've Just Walked Away But I Didn't
Thought That It Would Be Ok If I Admit It
Girl I Can't Lie To You Gotta Be Striaight
With You

You Never Thought That I Was Sitting
With Her Did You Babe
You Only Thought That I Was Friends
With Her Did You Babe

Gotta Let You Know That I'm Wrong
And I Wanna Keep Going On
Please Forgive And Forget It Cause Baby I Did It

Girl I Deserve A Second Chance For Doing Wrong
I Know It Hurts The Fact I Left You Home Alone
It's Hard Enough For Me To Admit It's My Fault
Didn't Have To Say A Word Cause I Didn't Get
Caught You Could Put My Cloths In My Ride
Set The Whole Thing On Fire If You Need You
Some Space Take A Couple Of Days Baby Girl
Do What Ever You Need All Long As You Come Back
To Meeee

The Hardest Thing For Me To Say Is I Did It
Should've Just Walked Away But I Didn't
I Thought That It Would Be Ok If I Admit It
Girl I Can't Lie To You Gotta Be Straight With You
You Never Thought That I Was Sitting With Her
Did You Babe You Only Thought That I Was Friends
With Her Did You Babe Gotta Let You Know That I'm
Wrong And I Wanna Keep Going On
Please Forgive And Forget It Cause Baby I Did It
