Yeah, yeah, yeah
Baby, I need it, need it, need it, need it

Trying to wait on you so patiently
But I remember how you put that on me
You know I be callin' your phone like a bill collector
'Cause you own me, known me, don't be keepin' it for
me

I've been around the world, seen a lot of things
But you're the finest thing
Oh, baby, I need it, I need it, I need it, I need it
Everytime I let it go, I be wanting more
In the bed or on the floor
Don't matter, I need it, I need it, I need it, I need it

Don't nobody make my body do the things that you do
Is it voodoo?
Don't wanna break the spell
'Cause it's crazy how you take me, then you taste me
Ooh, you don't be teasing, you just get it and I fit it, like
I fit in
You're the best that ever did it, girl

I've been around the world, seen a lot of things
But you're the finest thing
Oh, baby, I need it, I need it, I need it, I need it
Everytime I let it go, I be wanting more
In the bed or on the floor
Don't matter, I need it, I need it, I need it, I need it

Don't be phony, you know you horny
Get it on top of me
Shake it up for me, drop it all for me
You know what I wanna see
Be stripper pole nasty, freaky and classy
I'm-a make it rain all night
Jodeci fiendin', you got me tweaking
Baby, you get me so high...

I've been around the world, seen a lot of things

But you're the finest thing
Oh, baby, I need it, I need it, I need it, I need it
Everytime I let it go, I be wanting more
In the bed or on the floor
Don't matter, I need it, I need it, I need it, I need it
(repeat)

Yeah, yeah, yeah, yeah
You know I need it, I need it
Said I need it, said I need it, oh, oh....
