I was down and out, had no clue what love's about
Insecure couldn't figure out, why every good thing
just turned into a disappointment.
Had enough, and decided to give it up, stressing ????
was just too much , ?? accepted ___best & wants to be
alone
& you came along and you took my pain from my past
and you turned my pain into sunny days again, don't
know where I'd be
if it wasn't for you, I'd be so caught up in this life tell
me what would I do- if it wasn't for you, I'd be a
captive prisoner of my own abuse
If it wasn't for you, I wouldn't know a good thing
cause I couldn't trust my point of view.
If it wasn't for you, for you , for you (x2)
If it wasn't for you, Problems in with all the ___, Didn't
know where to throw the blame, felt like another player
in this game.
Didn't know who to trust, used my ego as a crutch,
seems like I could never __ cause
