Let's chill, alright, alright, oh yeah X 4

Let's chill, we ain't gotta hit the club
Pop bottles in vip
Let's chill, we ain't gotta hit the mall
Buying every Louie purse you see
Let's chill, no buying off the bar
We ain't gotta make it rain
Let's chill, we can lay right here all night
And do the do the damn thang
Let's chill

Let's chill, we ain't gotta hit the club
Pop bottles in vip
Let's chill, we ain't gotta hit the mall
Buying every Louie purse you see
Let's chill, no buying off the bar
We ain't gotta make it rain
Let's chill, we can lay right here all night

And do the do the damn thang
Let's chill
All my love is for you, for you,
Whatever you want I will do, whatever you want I'll do
You're the only one I want in my life, you're the only
one, the only one
For you I make the sacrifice, whoa

Let's chill, we ain't gotta hit the club
Pop bottles in vip
Let's chill, we ain't gotta hit the mall
Buying every Louie purse you see
Let's chill, no buying off the bar
We ain't gotta make it rain
Let's chill, we can lay right here all night
And do the do the damn thang
Let's chill.
