Ohh ohh ohh (oooohhh)  
Ohh ohh ohh (yeah)  
Ohh ohh ohh (i'm just playing it off)

Ohh ohh ohh (ohhhh)  
Ohh ohh ohh (yeah)  
Ohh ohh ohh yeah

I heard you taking yuh new man all the places we used  
to go  
Will I ain't trippin' i'm cool  
and hittin' all the places that i only used to know  
Will I ain't trippin' i'm cool  
But deep inside it's hard to hide the truth  
Cuz the only thing missin' in my ride is you, on the real

I've been playin' it off  
Like you didn't matter like i wasn't goin' crying at all  
I've been playin' it off  
Like i had another to replace everything i lost  
I've been playin' it off  
Like i'm cool like i'm not missin' u and everybody  
around me see i'm goin through  
I've been playin' it off  
but i need medicine i been sick ever since  
i ain't trying to come off soft  
thats why I'm been playing it off

Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (i've been playing it off)

Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (playin' it off)  
Ohh ohh ohh yeah

Heard you covered yuh tattoo with butterflies  
Don't understand but i ain't trippin' i'm cool  
and i ain't got on my favorite dress for somebody else  
to impress  
but i ain't trippin i'm cool  
deep inside it's hard to hide the truth (i can't hide it

yeah)  
Cuz the only thing missing in my ride is you (you) on  
the real

I've been playin' it off (ahhh)  
Like you didn't matter like i wasn't goin' crying at all  
(ahhh)  
I've been playin' it off (ahhh)  
Like i had another to replace everything i lost  
I've been playin' it off (ahhh)  
Like i'm cool like i'm not missin' u and everybody  
around me see i'm goin' through (ahhh)

I've been playin' it off  
but i need medicine i been sick ever since  
i ain't trying to come off soft  
that's why I'm playing it off

Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (i been playing it off)

Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (playin' it off)  
Ohh ohh ohh yeah

If u been through it like yuh boy been trough it  
turn to something bangin' in yuh ride  
If u lookin' foolish cuz we been lookin' foolish  
here's the chance to put your pride aside  
Tell her i miss the way you put it down  
you better thing anything else i found  
Don't nobody else know u like me  
And even know it's hard to see

I've been playin' it off (ahhh)  
Like you didn't matter like i wasn't goin' crying at all  
(ahhh)  
I've been playin' it off (ahhh)  
Like i had another to replace everything i lost  
I've been playin' it off (ahhh)  
Like i'm cool like i'm not missin' u and everybody  
around me see i'm goin' through (ahhh)  
I've been playin' it off  
but i need medicine i been sick ever since  
i ain't trying to come off soft  
that's why I'm playin' it off

Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (i been playin' it off)

Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (i been playin' it off)

Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (i been playin' it off)

Ohh ohh ohh (playin' it off)  
Ohh ohh ohh (playin' it off)  
Ohh ohh ohh ( yeah )
