Please don't go
Please don't go
Please don't go
Please don't go

Oh, she found all the numbers I had in my car
Oh, she called all the ones I had marked with a star
Oh, I'm racin' over to plead my case
Oh, she saw it was me and slammed the door in my
face

Fellas tell me why
How come we always doin' wrong?
How come we can't keep it home?
How come it always ends like this even though we know
that

It ain't worth tellin' a lie
It ain't worth seein' you cry
It ain't worth, that's why I'm right here
Beggin' you please don't go

'Cause it ain't worth killin' a home
It ain't worth bein' alone
It ain't worth, that's why I'm right here
Beggin' you please don't go, baby

Please don't go
Please don't go
Please don't go
Please don't go

Oh, I jeopardized everythin' I loved
Oh, what the hell could I have been thinkin' of?
Oh, I should have loved you right when I had the
chance
Yeah, now you out there lookin' for a better man

Fellas, why?
How come we always doin' wrong?
How come we can't keep it home?
How come it always ends like this even though we know

that

It ain't worth tellin' a lie
It ain't worth seein' you cry
It ain't worth, that's why I'm right here
Beggin' you please don't go

'Cause it ain't worth killin' a home
It ain't worth bein' alone
It ain't worth, that's why I'm right here
Beggin' you please don't go, baby

Please don't go
Please don't go
Please don't go
Please don't go

Oh, I didn't think it'd get this bad
Never thought of losin' you
Now my heart is beatin' fast
I'm tryin' to figure out in my mind
What to do, find the words to say

Remember when you said that you would never leave
me
I'm steady knockin' on the door but you don't hear me
I can't let this happen right now
Please, don't take your love, girl, I know I'm must stop

It's a doggone shame
How come we always doin' wrong?
How come we can't keep it home?
How come it always ends like this even though we know
that

It ain't worth tellin' a lie
It ain't worth seein' you cry
It ain't worth, that's why I'm right here
Beggin' you, please don't go

'Cause it ain't worth killin' a home
It ain't worth bein' alone
It ain't worth, that's why I'm right here
Beggin' you, please don't go, baby

It ain't worth
Oh, it ain't worth playin' with your heart, baby, yeah
It ain't worth
Runnin' around town, creepin' around
With these silly little broads, yeah

It ain't worth
If I get another chance
I swear I'ma be better about you, girl
It ain't worth
Oh, 'cause you, 'cause you, you, you're my

Please don't go
Please don't go
Please don't go
Please don't go
