[Chorus]

I know I hurt you baby
I know I did you bad
I know I tripped and lost the best thing that I ever had
Oh, girl I see you walkin'
Can't let you get away
Me and my body's callin'
Baby you, you gotta stay
Gotta stay, gotta stay
Baby you, you gotta stay
Gotta stay, gotta stay
Baby you, you gotta stay

[Verse 1]

I been such a fool I know
And you've got every right to go
But I just need a minute of your time
To say some things that just make make it right
I'm just a man and I be doin' man thing
But now this man has realized he's gotta change
Cuz i may end up losin' my girl and that just aint ???
Baby, won't you help me?

[Chorus]

I know I hurt you baby
I know I did you bad
I know I tripped and lost the best thing that I ever had
Oh, girl I see you walkin'
Can't let you get away
Me and my body's callin'
Baby you, you gotta stay
Gotta stay, gotta stay
Baby you, you gotta stay
Gotta stay, gotta stay
Baby you, you gotta stay

[Verse 2]

Way to busy tryna be fly
Now I'm ridin' broke without my dime
Now that I've come up I've let you down

Cuz I may end up losin' my girl and that just ain't ???

I know I hurt you baby
I know I did you bad
I know I tripped and lost the best thing that I ever had

Baby you, you gotta stay
Gotta stay, gotta stay
Baby you, you gotta stay
Gotta stay, gotta stay
Baby you, you gotta stay
