Why you tryna act like you dont know?,
Please get your hand up off my shoulder,
Dont need a hug so dont get no closer,
Dont know why I let you come over,
Cause in my heart I know you did it,
Please be a man and just admit it,

Now im at the point im getting enough in it,
Imma die in a half and I just dont get it,
I dont know what you gon' see,
Aint to many quite like me,
Wherever i had your back so how you gon' roll like that,
I dont know what you gon' do,
When i get stupid too,
She said she dont know how to act,
Im taking everything back,

That car your driving on my planet,
Think you can keep that just forget it,
Im taking it all back back,
Im taking it all back back oh,
Ice on ya neck (n body),
Days on your feet (n body),
How yall gonna think you can just blame me ohh,
Im taking it all back back,
Im taking it all back everything back,

Gave you the kane i respect your pippin,

Dont get mad cause i caught you sleepin,
Gave you the world but you still out did me,
Shoulda seen the signs that a girl whose trippin,
Now your tryna keep all the things I gave you,
Bought another chick and the ride I gave you,
Take her all the places I used to take you,
Looking back I made you now i really hate you,

I dont know what you gon' see,
Aint to many quite like me,
I dont know what you gon' do,
When i get stupid too,
She said she dont know how to act,

Im taking everything back,

That car your driving on my planet,
Think you can keep that just forget it,
Im taking it all back back,
Im taking it all back back,
Ice on ya neck (n body),
Days on your feet (n body),
How yall gonna think you can just blame me ohh,
Im taking it all back back,
Im taking it all back everything back.
