word on the street is you're hurting without me, hurting
without me. yeah
i knew you would see that you couldn't live without me.
should've been about me
some of it was me. i was way too selfish but i couldn't
help it.
i just wanted you to be, like me, so helpless. feel the
way i felt. yeah

ain't no girl gon' do for you like i do.
i do whatever for you, babe.
ain't no use in trying to act like we're through.

you need me back.
cause i'm the one that's down for you.
you know you can't deny the truth.
there's nothing left for me to prove.
you need me back.
cause i can make your house a home
and it ain't been the same since i've been gone.
the reason that you're feeling alone
you need me back

holding your sheets cause you're missing my loving.
i was giving you loving. yeah
harder to sleep cause you wake up with nothing.
need to wake up with nothing. yeah
you should take it in. i know you're trying to fight but
you need to make it right. yeah
she like me. she's only good for the night, but i'm good
for your life.

ain't no girl gon' do for you like i do.
i do whatever for you, babe.
ain't no use in trying to act like we're through.

you need me back.
cause i'm the one that's down for you.
you know you can't deny the truth.
there's nothing left for me to prove.
you need me back.
cause i can make your house a home

and it ain't been the same since i've been gone.
the reason that you're feeling alone
you need me back

i'm good for you, baby. i'm good. so good. (6x)
so damn good.

you need me back.
cause i'm the one that's down for you.
you know you can't deny the truth.
there's nothing left for me to prove.
you need me back.
cause i can make your house a home
and it ain't been the same since i've been gone.
the reason that you're feeling alone
you need me back
