Oh, my centerpiece, my innerpiece  
Why I breathe, why I'm at ease  
'Cause endlessly, you're with me  
Just ask me girl, you're my everything

I give my last, I give her my first  
'Cause without you boo, ooh, it could be the worst  
I'd give up it all to stop her fall  
You can drive me up a wall, but I'll still come

Don't put it, pass me baby, I'm unpredictable  
Don't put it, pass me baby  
'Cause girl, you'll never know

Don't put it, pass me baby, I'm unpredictable  
Don't put it, pass me baby  
'Cause girl, you'll never know

It's everlasting baby, it's unpredictable  
It's everlasting baby, it's more than you will know  
Don't put it, pass me baby, I'm unpredictable  
Come on and ask me baby, how many times have I said  
no

Nothing's too big, no place too far, hold my car  
Ooh, you're a prized possession  
I recognized my blessing  
To be in your presence go to any measures

I got way more love for you than you know  
If she only knew there is nothing I won't do for her  
I'll change my schedule to leave you in the middle  
Baby, I'll be gentle or whatever you're into

Don't put it, pass me baby, I'm unpredictable  
Don't put it, pass me baby  
'Cause girl, you'll never know

Don't put it, pass me baby, I'm unpredictable  
Don't put it, pass me baby  
'Cause girl, you'll never know

It's everlasting baby, it's unpredictable  
It's everlasting baby, it's more than you will know  
Don't put it, pass me baby, I'm unpredictable  
Come on and ask me baby, how many times have I said  
no

I done prove many times that I'm down to anything  
Don't act like you don't remember making love in the  
park  
Or making love anywhere you name  
We can make love in the ladies room  
Call my bluff, I'll show you what's up, try me girl

Don't put it, pass me baby, I'm unpredictable  
Don't put it, pass me baby  
'Cause girl, you'll never know

Don't put it, pass me baby, I'm unpredictable  
Don't put it, pass me baby  
'Cause girl, you'll never know

It's everlasting baby, it's unpredictable  
It's everlasting baby, it's more than you will know  
Don't put it, pass me baby, I'm unpredictable  
Come on and ask me baby, how many times have I said  
no

Don't put it, pass me baby, I'm unpredictable  
Don't put it, pass me baby  
'Cause girl, you'll never know

Don't put it, pass me baby, I'm unpredictable  
Don't put it, pass me baby  
'Cause girl, you'll never know

It's everlasting baby, it's unpredictable  
It's everlasting baby, it's more than you will know  
Don't put it, pass me baby, I'm unpredictable  
Come on and ask me baby, how many times have I said  
no

Don't put it, pass me baby, I'm unpredictable  
Don't put it, pass me baby  
'Cause girl, you'll never know

Don't put it, pass me baby, I'm unpredictable  
Don't put it, pass me baby  
'Cause girl, you'll never know

It's everlasting baby, it's unpredictable  
It's everlasting baby, it's more than you will know

Don't put it, pass me baby, I'm unpredictable  
Come on and ask me baby, how many times have I said  
no
