I want you
Want you

Baby .
This.
My body is burning with desire
Honey you, you don't want you to want me too
.i want you,
My love you're doing.
I want you tonight

Baby don't you hesitate
All my love is for you don't make me wait
Who you got me so into you
.i need you and i want you to want me too
Into .all the love are doing.

I want you tonight, i want you
I want you, to want me

Just liek i want you
Just liek i need you
Just like i want you
And i want you to want me too
Into.love are you doing to me

2 x
I want you now
I want you now
I want you now
I want you now

Some.in my lvoe is sure.
When our specila.you're touching me right here
Just thinkign bout your lvoe
Got me faded so good
.you were here
