Blazin' Budda joint
I think very deeply
Digital, Tank
I, I think very deeply

What, what, what?
Baby, your place or my place, maybe later
So, what, what, what?
We get it started, ya'll get naughty
So, what, what, what?
You got all your girls and I got my niggas
So, what, what, what?
Maybe we can do this, it's all on we
So, what, what, what?

Riding through the hood
Try'na see what I can see
Weathers all good
Got Budda and Digital with me

Rockin' on the corner
Ladies walking by lookin' sweet
Now it's going down
Tryna hook up with three

Baby, your place or my place maybe later
So, what, what, what?
We get it started, ya'll get naughty
So, what, what, what?
You got all your girls and I got my niggas
So, what, what, what?
Maybe we can do this, it's all on we
So, what, what, what?

Ladies how you doing
Meet the rest of crew
What you doing later?
'Cause I got something we could do

We can hit the liquor store
Get some green or go back to my place
And turn off all the lights

And wake up the next day, oh

What about ya crew, shawty?
What you wanna do, shawty?
Where you wanna go, shawty?
How you wanna flow, shawty?

Let me get some drinks, shawty
Get some of that green, shawty
Check into a room, shawty
So what up with you, shawty

What about ya crew, shawty?
What you wanna do, shawty?
Where you wanna go, shawty?
How you wanna flow ,shawty?

Let me get some drinks, shawty
Get some of that green, shawty
Check into a room, shawty
So what up with you, shawty

Baby, your place or my place maybe later
So, what, what, what?
We get it started, ya'll get naughty
So, what, what, what?
You've got all your girls and I got my niggas
So, what, what, what?
Maybe we can do this, it's all on we
So, what, what, what?

Baby, your place or my place maybe later
So, what, what, what?
We get it started, ya'll get naughty
So, what, what, what?
You've got all your girls and I got my niggas
So, what, what, what?
Maybe we can do this, it's all on we
So, what, what, what?

Baby, your place or my place maybe later
So, what, what, what?
We get it started, ya'll get naughty
So, what, what, what?

So what, so what, so what's up?
So what, so what's up?
So what, so what's up?
What's up, what's up?

So what, so what, so what's up?

So what, so what's up?
So what, so what's up?
What's up, what's up?

So what, so what, so what's up?
So what, so what's up?
So what, so what's up?
What's up, what's up?
