I'm a do whatever it takes, [x7]

If I got to them other girls I'd be there baby
That's what I'm a do.
And if I gotta tell the homies look tonigh that I'm a do it
just for you.
And if you hating weil I'll be tippin'for the stripper
than baby I'm trough,
Cause when the game is on the line, I gotta
Find a way cause I don't wanna lose,
I let you know

No valley to low, no mountain to high
No place I won't go, nothin' I won't try
This might be my last chance to be with a superstar.
I'm a do

Whaterever it takes [x7]
I'm a do

If you need a superhero in ya life than baby
I'm a try to fly, look it's a bird it's a plain.
And if they tryna lock you up, then I'm a take the stand
I'll be your ali bi.
(she didn't do it, no she didn't do it)

If you need a lot of work than I can work and plus
a lot of over-time, cause I'm gitting on this?
no matter how long than I gotta stand in the line.
I let you know

No valley to low, no mountain to high
No place I won't go, nothin' I won't try
This might be my last chance to be with a superstar.
I'm a do

Whaterever it takes [x7]
I'm a do

No valley to low, no mountain to high [x2]
No place I won't go, nothin' I won't try

This might be my last chance to be with a superstar.
I'm doing.

Whatever it takes [x7]
I'm a do
