You know cause when you feel your body
Getting ready to let go just let me know when

[Verse 1:]

Tonight the only thing that I will ever ask of you
Tell me when um
I'm tring to make you feel it holla at me when you do
Tell me when um
Don't keep it to yourslef you know I wanna hear from

Tell me when oh
And if I hit the spot let me know I'll come to and tell you

[Chorus:]

When I'm hoping that
When your body says when
You'll just let go
When you're open up
