It's just a love roller coaster every day that I'm with chu  
It's just a love roller coaster every day I'm with chu

One day you say that you love me  
But the next you're writing emails to some online dude  
And though I pretend to not notice it  
Honey listen I'm much smarter than I look

What are you searchin for? A new romeo?  
Or a game you can play to rule him for a day?

Wish I could do somethin bout it  
Goin too fast to stop it  
So I'll scream inside then drop it

(Because) I don't know if I'm goin up I can't tell when  
I'm down  
I just smile at that camera as my heart falls to the  
ground.

We kiss we break up we make up  
It's so cliché how you mess with my head every day  
I won't lie I don't mind it games are fun when your  
winnin  
Get a clue cuz I'm grinnin!

You date around, you love rebounds  
You mess mess mess around but still can't get enough  
of me  
In bed we're so beautiful but I want something  
meaningful  
Not a fickle kiss with a temporary bliss

(Because) I don't know if I'm goin up I can't tell when  
I'm down  
I just smile at that camera as my heart falls to the  
ground.

Front seat strapped in no choice but to ride it again  
It's so fun once or twice 3 times (uh uh) not so nice  
I don't mind it long as win what I came for at the end  
Feelin nautious here I go (oh no) all over your favorite

ho.

(Because) I don't know if I'm goin up I can't tell when  
I'm down  
I just smile at that camera as my heart falls to the  
ground.

It's just a love roller coaster every day that I'm wit chu.
