Hey baby whadda ya say  
Lets try somethin new tonight  
I thought of this great idea.  
Just get comfortable  
Crawl under the sheets if you'd like  
Cuz it's your night.  
When all your fantasies come true  
I'm here for you  
Tell me what you wanna do?  
Because it don't matter to me  
Who you wanna be  
I'll play emcee if you'd like  
Cause it's all for you.

Here's my love song  
For you  
It starts up on  
Your cue  
And does whatever you want it to do  
It's my love song for you  
Up and down  
In & out it goes  
It lets only you compose  
Whatever you want it to do  
It's my love song  
For you...

Whip cream, strawberry wine  
Damn babe you taste so fine  
What you want me to do?  
Hold tight cause baby,  
It's your night.

Here's my love song  
For you  
It starts up on  
Your cue  
And does whatever you want it to do  
It's my love song for you  
Up and down  
In & out it goes  
It lets only you compose

Whatever you want it to do  
It's my love song  
For you
