Hello ladies and gentlemen  
Tanner Helms here  
I'll be your tour guide for the next 20 minutes  
Cause that's all you need is 20 minutes  
Right?

This CD is about ballet  
So let's do it cliché.

See I got a loaded bodyguard  
Cause I just came from the hospital  
And what you don't know about me is that  
I'm original

Well... I'll shut up now  
BALLET!

I hope you enjoy the next few songs  
Compiled by yours truly  
I am truly a dealer  
Of healers that can make ballet dancers  
Do prancers and all kinds of ish

Alright let's hit em off now  
Come on come on

Hook Please...  
Whoah whoah whoah...

This has been a mindless Tanner Helms Production
