She walks into the club with her heels high ready to go  
Shirt white, jeans tight, fly as hell, lookin like "whoah"  
And all the girls look at her jealous cuz they all know  
While the guys stare at her derriere cuz  
Well they ain't never seen one quite like yours!

And all they ever say is "She's so hot, man"  
And all that they can do is watch as she goes by and  
Watch her body bounce, up & down cause she's sexy

So damn sexy  
So damn sexy  
So damn sexy  
So damn sexy

Notice as she takes a sip with her red lip dudes tip  
She don't give a flip she knows she's worth more than a  
tip  
Cause it's not hard to recognize her green eyes & her  
thighs  
But they to blind to see that Totty's here with me  
(Yes she is)

Look  
She got the body of a queen  
Models in magazines  
Paid to wear designer jeans  
That's because you know that she's

So damn sexy  
So damn sexy  
So damn sexy  
So damn sexy

You dial numbers on your phone and txy  
Cause you wanna look bexy  
Tryin' to get nexy to lexy  
(But she ain't thinking bout you she just wants to shake  
her thang)  
On the dexy  
Delexy  
All around up & down do the bexy

Flexy (watch her move)  
Cause she's (oh) so damn sexy.

So Damn Sexy  
So Damn Sexy  
So Damn Sexy  
So Damn Sexy

What? Okay!
