Yo, I'm just giving out sounds
Every day I get up and a frowns
Da one thing I know, little girl
Da one thing I wa give you some more

Everyone fall in love sometime
I don't know 'bout you but it ain't a crime
Everyone fall in love sometime
I don't know 'bout you but it ain't a crime

Well, I, well, I, question I ask
Tell me what you want and what you really, really
wanna do
Tell me, baby girl, if your love is really, really true
Tell me what you want and what you really, really
wanna do
Tell me, baby girl, hey

And no have like no yo, yo
If you really love me let it flow, flow
And if you don't love me let me go, go
But I think the rudebwoy gon let you know, know that

Everyone fall in love sometime
I don't know 'bout you but it ain't a crime
Everyone fall in love sometime
I don't know 'bout you but it ain't a crime

Beep, beep, the singer got the keys to the jeep
A we pretty girl wa fi meet
So tell me what's up before me hitting the sheets
You see it, you see it

All eight, nine, ten
The whole a dem gyal wa fi be our friend
A you me really love, why you want it fi end
You have mi brains a puzzled, me can't comprehend
But then again

Everyone fall in love sometime
I don't know 'bout you but it ain't a crime
Everyone fall in love sometime

I don't know 'bout you but it ain't a crime

Eh you want me tell you something, girl
You want me tell you something, cho

Girl, you have me reminiscing
When me member 'bout yuh loving and kissing
So tell me, tell me, girl, why yuh wanna be dissing?
I try to talk to yuh but yuh not listening

It's only logic for my love to be glistening
Baby, Ema ought to know that something missing
Since it's late me a keep on flipping
So listening keenly to what the singer's singing

Everyone fall in love sometime
I don't know 'bout you but it ain't a crime
Everyone fall in love sometime
I don't know 'bout you but it ain't a crime

Well, I, well, I, question I ask
Tell me what you want and what you really, really
wanna do
Tell me, baby girl, if your love is really, really true
Tell me what you want and what you really, really
wanna do
Tell me, baby girl, hey
