I.

when you have that
special woman, who makes
your heart skip a beat.
and your so crazy in love
your telling everybody.

II.

that she's your life, your
heart, your soul, your
babygirl but you just
don't know what she's
doing to you in this
world.

CHORUS

so i'm saying, fuck
the bitch. i don't need
this shit. i'm gonna
live life to the fullest
and i have no regrets.

so fuck the bitch.
i don't need this
shit. i'm gonna
smoke weed feel
high like it's ligit.

so fuck the bitch.
i don't need this
shit. i'm gonna
live life to the fullest
and i have no regrets.
so fuck the bitch. i don't
need this shit. i'm gonna
smoke weed feel high
like it's ligit.

III.

and down the road
of your relationship

you realize. that
everything she said
to you was just her
lies.

IV.
and now you live heart
broken, and things seem
so strange. cause you
can't believe that the
girl of your dreams
just played that stupid game.

(repeat chorus)

oh yeah!
