Me said it now
Me searching around the world for that special lover
Man I need someone that I can call my lifetime partner
Feels like forever
When Iâ'm searching around the world
Iâ'm tired of lookin
So all I can do is wait for that special girl
I no one day
that sheâ'll come my way
But sheâ's got to have a heart and a personality
But see
I see all these girls
Who just donâ't understand
That I want a girl to love me for me
And not for what I have
So now all I can do is wait
But until then
This is what I need
I need a girl
Who would love for me
A girl with a good personality
Let me Persil ate for u 2 no
That I need a girl who would love me so
Inside and out sheâ's got 2 be beautiful
So basically all I need
Is my everyday angel
My everyday angel
Oh yea
Oh when I and I
Have got to find a girl
Who doesnâ't play that game
I got 2 find the girl whoâ's down for me everyday
Thankful
And just worth it
Sheâ's got to have the love and respect
Oh and donâ't for get the loyalty
I if this is to much to ask
Better be known that Iâ'm sorry
I just want a love thatâ'll last
So before I go I want every1 2 see
That this is what I need
I need a girl who would love me 4 me

A girl with a good personality
Let me Persil ate 4 u 2 no
That I need a girl who would love me so
Inside and out she's got 2 be beautiful
So basically all I need is my everyday angel
