Said baby, mommy loves you.  
I wouldn't know what I'd do  
Without you.  
Said now mommy loves you  
I wouldn't know what to do  
If I was to loose you.  
Said baby listen  
Me said the very first day  
I held you in my arms I knew  
That I had to change my ways  
And keep you safe from harm.  
Oh when you smile it makes my life  
Worthwhile & worth living.  
So every night I pray  
And thank the Lord that you're  
My blessing  
My baby boy you're my everything.  
And mommy loves you  
My pride & joy  
Mommy loves you  
My baby boy.  
And lather on in this life  
You'll hear this song  
It's called mommy's lullaby  
Let me tell you something  
I know that I'm still young  
And some people like to judge  
What they see  
But I'm gonna raise you good  
Oh just you wait and see  
'Cuz mommy loves you  
My pride & joy  
Mommy loves you  
My baby boy.  
And lather on in this life  
You'll hear this song  
It's called mommy's lullaby.  
You'll hear this song  
It's called mommy's lullaby.  
Said baby, mommy loves you.  
I wouldn't know what I'd do  
Without you

Said now mommy loves you  
I wouldn't know what to do  
If I was to loose you.
