Meme, and Joey, Meme, and Joey (yeaa)  
Now I know this may sound a little  
Crazy, but everybody knows  
What happened to Jeromy Newby  
He's on life-support and he ain't  
Doing good  
Homeboy supposed to be here with us  
Smoking in the hood.  
'Cuz I remember all the times  
We shared and; and I remember kicking back  
Everywhere, having a bad ass time.  
Now that this has happened we're  
Hurting inside.  
We're shouting 'meme (we miss you)  
And joey (we forgive you)  
Meme (we miss you) and joey (we forgive you)  
Lord hear my prayers &; make everybody  
See, that Joey didn't mean to this  
To Jeromy.  
He does have a heart.  
And I know  
That the situation he's going trough  
Is harder then you know.  
Now homeboy is praying  
And he's down so I know that he's saying 'Lord please  
forgive me for  
Hurting everybody, yea.  
It wasn't my attention to do what  
I did. To all of my friends I  
Love them'  
My homies are shoutin  
Meme (we miss you)  
Joey (we forgive you)
