(Intro)

It's not a drug

A medicine man a medicine (say one more time now)

Weed, weed is not a drug

It's just a medicine to ease God's creation

(Verse 1)

Me say now weed is not a drug it helps me with my
frustration

It even helps me with my complications

Weed at home is neat on special occasions

That's when we'll have a smoking sation

What my trying to do is working as the peace

Before I do that let me tell you one thing

That if we didn't have any weed

Than we wouldn't be living in peace

(Chorus)

Now weed, weed is not a drug

It's just a medicine to ease my frustration (Say one
more time now)

Me say now weed, weed is not a drug

It's just a medicine to ease Gods creation

(Verse 2)

Man just recently me and my girl just broke up

Got my homies letting me smoke some chrones and
baby bud

I'm glad to have marragane as my other wife

'Cause she's the one who eases my mind

They always say listen to homies

And you'll understand what? for I mean

(Chorus)

So me say now weed, weed is not a drug

It's just a medicine to ease my frustration (Say one
more time now)

Me say now weed, weed is not a drug (No, no)

It's just a medicine to ease Gods creation

(Hook)

Say puff to the puff, puff, puff pass (Pass that)

Puff to the puff puff pass (Pass that)
Puff to the puff puff puff pass (pass that)
Puff to the puff puff puff pass
Weed is not a drug no, no
Said a weed is not a drug
Oh no (Oh no) No
Mmm
