Walked through the sand, the sand, soft and white

And felt the sun, the sun, warm and bright

And saw the ocean, ocean blue

And thoughts, and thoughts, came

Thought of you ...

Down down down

Iâ€™m feeling down

Down down down

Iâ€™m feeling down

And felt the beat, the beat, strong and loud

As I was dancing amidst the crowd

And my surrounding seemed out of view

And thought and thought came

Thought of you ...

Down down down

Iâ€™m feeling down

Down down down

Iâ€™m feeling down

See me, see me, down on my knees

Come back, come back, come back please

I saw the world and found no reply

Tell me, tell me, tell me why ...?

Down down down

Iâ´m feeling down

Down down down

Iâ´m feeling down
