asta and me
love first degree
after the show
shower and more
life is too short
i must admit
death is a whore
don't give a shit

madradena
queen of the blue
told their creatures
sue the broken taboo
fed them with flesh
that used to burn
like a vulcano
what a way to learn

washed the bodies
arm in arm
brushed the hair
black and blonde
whistled a tune
i used to sing
when we were dancing
in that long gone spring

madradena
queen of the blue
told their creatures
sue the broken taboo
fed them with flesh
that used to burn
like a vulcano
what a way to learn

in the garden
down the lane
near the stable
where she found
always the right one
thick or tall

there she drowned us
into the lake

madradena
queen of the blue
told their creatures
sue the broken taboo
fed them with flesh that used to burn like a volcano
what a way to learn

we wanted to touch
no chance at all
hungry new friends there
while she had a ball
invite us to dance
this kissing fish
give it back
we are not dead

madradena
queen of the blue
told their creatures
sue the broken taboo
fed them with flesh
that used to burn
like a volcano
what a way to learn
