Times I recall  
In fleeting colours  
In missing hours  
On days that fall  
Like leaves in autumn  
And blown around  
And left unspoken

Times I recall  
That made me restless  
And anxious wandering  
And words that fall  
Into the deepness  
Of my yearning  
And left unsaid

One night one night  
I had a dream  
A wave came floating  
Like a gleam  
One day one day  
All I've seen will come true  
'cause night and day  
I'm in love with you

Times I recall  
Close to your breath  
The sweet caress  
The joy that falls  
Into the blindness  
Of my heart  
And left unspoken

Times I recall  
Few moments of care

Maybe unaware  
And I did not fall  
Remained in elation  
And left my darkness  
And left unsaid

One night one night  
I had a dream  
A wave came floating  
Like a gleam  
One day one day  
All I've seen will come true  
'cause night and day  
I'm in love with you
