Love is where you find it
When you find no love at home
And there's nothin' cold as ashes
After the fire is gone

The bottle is almost empty
The clock just now struck ten
Darlin' I had to call you
To our favorite place again

Each time we say is the last time
But the fire's gone out at home
And there's nothin' cold as ashes
After the fire is gone

Love is where you find it
When you find no love at home
And there's nothin' cold as ashes
After the fire is gone

Your lips are warm and tender
Your arms hold me just right
Sweet words of love you remember
That the one at home forgot

Each time we say it's the last time
But we keep hangin' on
And there's nothin' cold as ashes
After the fire is gone

Love is where you find it
When you find no love at home
And there's nothin' cold as ashes
After the fire is gone
