Seems like only yesterday
We put our Christmas things away
Now here's another Christmas day with you

When you're in love, how time does fly
And this year that's just flown by
Has been one happy holiday for two

Christmas to Christmas, wrapped in your arms
Love is always in the season, and always so warm
Till my days on earth are through
I will spend Christmas to Christmas loving you

Yes, the giving season's here again
Yuletide smiles are in demand
Time to love your fellow man, well, it's true

But the love we share is for all time
We'll feel its glow right through July
To melt the cold when winter flies anew

Christmas to Christmas, wrapped in your arms
Love is always in the season, and always so warm
Till my days on earth are through
I will spend Christmas to Christmas loving you

Yes, until my days on earth are through
I will spend Christmas to Christmas loving you
Oh, merry Christmas, baby
