Throw up a quarter and I'll call it
A heads he loves me, tails he loves me not
I keep his picture in my wallet
I guess I miss him a little more than I thought

It's complicated, it's underrated
This is so much more than I anticipated
Well it's a heart related, it's complicated

Am I flyin'? Am I sinkin'?
Do it feel good or do it hurt?
I'd like to tell him what I'm thinkin'
But right now I just can't find them words

Well it's complicated, it's underrated
This is so much more than I anticipated
Well it's a heart related, it's complicated, alright

Talk to me baby
Get down

We're walking hand in hand on Sunday
Havin' it out on a Sunday night
We might be makin' up come Monday
Our love is never black and white

'Cause it's complicated, it's underrated
This is so much more than I anticipated
Well it's a heart related, it's complicated
You love to love 'em and you hate to hate 'em
And then you hate to love 'em

Well it's complicated, yes it's tough
Complicated, alright
It's complicated, woah yeah

He's wearing me out
This is difficult
You got another quarter?
