My cowboy rhythm with your uptown blues  
Might sound a little out of tune  
But I don't care I don't care  
It don't matter to me, baby  
I love you anyway  
Your silk Armani with my wrangler jeans  
Might make us look a little strange  
But I don't care I don't care  
It don't matter to me, baby  
I love you anyway

Any fool can see the warning signs  
The difference in your world and mine  
But I don't care how fast or high you fly  
I love you anyway

Any fool can see the warning signs  
The difference in your world and mine  
But I don't care how fast or high you fly  
I love you anyway  
PigÃ©on Forge or St. Tropez  
We'll have one fine honeymoon either way  
So I don't care no I don't care  
It don't matter to me, baby  
I love you anyway

wooh It don't matter to me, baby  
I love you anyway
