Years ago he was the handsomest devil in town  
Well, I know 'cause I've seen his pictures laying around  
But he's gettin' old and can't ride them broncos no  
more  
It makes me sad my old man just hit sixty-four

Years ago his home was the wild rodeos  
But his scars are the only trophies that he's got to show  
Now he's gettin' old his spurs are all rusty and brown  
Oh, it makes me sad my old man is fast slowing down

He's my father, my friend and I love him  
That was hard to say just a few years ago  
Funny but I guess I have mellowed 'cause my cowboy's  
getting old  
'Cause my cowboy's getting old

Years ago I was always there by his side  
He'd saddle my pony and off in the sunset we'd ride  
Now he's getting old and I have gone off on my own  
It makes me sad how my old man's years have flown

He's my father, my friend and I love him  
That was hard to say just a few years ago  
Funny but I guess I have mellowed 'cause my cowboy's  
getting old  
'Cause my cowboy's getting old, 'cause my cowboy's  
getting old
