Would you look at what came down the road today  
Wanting me to be one more mistake to make  
A bridge to burn to get to someone knew hey pass me  
by if you're only passing through  
You sure look like the traveling kind to me  
Don't stop if this ain't where you want to be  
I don't know what you think you've run into  
Hey pass me by if you're only passing through  
[ steel + harmonica ]  
I'm not gonna be your stepping stone among the other  
hearts that you've walked on  
Lord help me if I fall in love with you hey pass me by if  
you're only passing through  
Hey pass me by if you're only passing through
