There's a tree out in the backyard  
That never has been broken by the wind  
And the reason it's still standing  
It was strong enough to bend

For years, we have stayed together  
As lovers and as friends  
What we have will last forever  
If we're strong enough to bend

When you say something that you can't take back  
Big wind blows and you hear a little crack  
When you say, "Hey, well, I might be wrong"  
You can sway with the wind till the storm is gone  
(Sway with the wind till the storm is gone)

Like a tree out in the backyard  
That never has been broken by the wind  
Our love will last forever  
If we're strong enough to bend

Yeah

When you start thinkin' that you know it all  
Big wind blows and a branch will fall  
When you say, "Hey this job takes two"  
We can sway with the wind till the skies turn blue  
(Sway with the wind till the skies turn blue)

Like a tree out in the backyard  
That never has been broken by the wind  
Our love will last forever  
If we're strong enough to bend  
Our love will last forever  
If we're strong enough to bend
