If anyone had told me things would get this far
I'd have told them they were crazy, yet, here we are
Pride can be our enemy we both know the cost
So tell me if you're having second thoughts

We don't have to do this
It's not carved in stone
Or are we so lost we can't find
Our way back home?

Tell me where's it written
That we can't change our minds?
We don't have to do this
We don't have to say goodbye

Years should count for something
Tears can't be in vain
To let this go so easy would be a shame

We don't have to do this
It's not carved in stone
Or are we so lost that we can't find
Our way back home?

Tell me where's it written
That we can't change our minds?
We don't have to do this
We don't have to say goodbye

If leaving is the answer
Why does this feel so bad?
Should we really walk away
From everything we had?

Tell me where's it written
That we can't change our minds? No
We don't have to do this
We don't have to say goodbye
We don't have to do this
We don't have to say goodbye
