I don't know, how to say  
What you mean to me  
All I can, is find my truth  
I close my eyes and see

Oh I, love you  
My love, stays true  
Stay with, my heart  
Never, apart

What I do, cannot prove  
How you make me feel  
What can I, do for you  
To make you see love real

Oh I, love you  
My love, stays true  
Stay with, my heart  
Never, apart

Make me feel, loved by you  
I know it's what we need  
Loving me, is what you do  
On our love we'll feed

Oh I, love you  
My love, stays true  
Stay with, my heart  
Never, apart

Oh I, love you  
My love, stays true  
Stay with, my heart  
Never, apart

(Lead Guitar Solo)

Make it last  
Hold me close  
Surrender not  
Love you most  
I need love

And you gave  
My hearts warm  
Love to save

(Interlude)

Oh I, love you  
My love, stays true  
Stay with, my heart  
Never, apart

Oh I, love you  
My love, stays true  
Stay with, my heart  
Never, apart
