I'm seeing tunnel vision in a world that's dark and cold  
I can't believe how much I've changed since the days of  
old

I know  
it's temporary but  
I need to focus straight  
I can't believe I lost control of my fate  
I need forgiveness from the people I truly care about  
I need support behind my back to help me spit it out  
I'm gonna win  
I can't afford to blow this one

I hate myself sometimes  
I love myself  
I need this way of life because it holds me.

I hate myself sometimes  
I love myself.  
Contradiction's the way of life  
Happiness is wealthyness is healthy

Now that I've made it through those lies and deceit,  
I think what's done is done and I can't complain  
anymore  
I am sure that I have found myself again it feels great  
I can't believe I'd lost control of my fate.

I need forgiveness from the people I truly care about  
I need support behind my back to help me spit it out  
I'm gonna win  
I can't afford to blow this one

I hate myself sometimes  
I love myself  
I need this way of life because it holds me.

I hate myself sometimes  
I love myself.  
Contradiction's the way of life  
Happiness is wealthyness is healthy now
