Anvil come  
Anvil come  
I need your  
I need your Fire

Sparks and stone  
Sparks and stone  
As you fall  
As you fall I fade

While ships Seek signs of life  
They'll have Our heads on sight  
It comes

Bronze will bash  
Bronze will bash  
To the hills  
To the survivors

Clear the plains  
Clear the blame  
When you run  
When you run I run

Storm the shores for fame  
As time the footprints fades  
It comes

Now you sit  
Now you sit  
In your house  
In your abandon

Evil bound  
Evil bound  
When you came  
When you came I went

Banned and boarded life  
The hive all shifts when time  
Has come  
It has come [x8]
