Looks like I've fucked up again what's new
I am always getting out of hand
Though in control sometimes just don't give a shit
I get raw have fun I love it so sick of sayin' sorry
Those apologies have got to go but I
I don't intend to create a pain in your heart
I am a pain in the ass
Cause that's what I am about

(1x)

Day by day
I can see a change in every way
Some things get worse some things get better
I hate to say

I HATE TO SAY
SAY

Those blatant lies are now a part of my past
I hope I don't get confronted abusing others' minds
through control
I don't want it to last so here I go
I am on my way
I am leaving for good
I pray that you forgive me for all of the harm that
I caused cause we were friends and we had some
great times
And that's why I am just fine cause that's the way it is

(2x)

Day by day
I can see a change in every way
Some things get worse some things get better
I hate to say

But I've declined

(Brakedown)

Day by day
I'm in till my TIME

(2x)
Day by day
I can see a change in every way
Some things get worse some things get better
I hate to say

But I've declined
All your Ways
