I am seeing tunnel vision in a world that's dark and cold  
I cannot believe how much I've changed since the days of old  
I know it's temporary but I need to focus straight  
I cannot believe I lost control of my fate

I need forgiveness from the people I truly care about  
I need support behind my back to help me spit it out I am gonna win  
I can't afford to blow this one

I hate myself sometimes  
I love myself  
I need this way of life because it holds me  
If contradictions the way of life, happiness is wealthiness is healthy

Now I've made it through those lies and deceit  
I think what's done is done and I can't complain anymore I am sure  
Now that I've found myself again it feels great  
I can't believe I'd lost control of my fate

I need forgiveness from the people I truly care about  
I need support behind my back to help me spit it out  
I am gonna win  
I can't afford to blow this one

I hate myself sometimes  
I love myself  
I need this way of life because it holds me

I hate myself sometimes  
I love myself  
I need this way of life because it holds me  
If contradictions the way of life  
Happiness is wealthiness is healthy (4x)
