I'm your mirrors reflection,  
What you don't like about me is what you hate in  
yourself,  
You should see through others eyes  
Before you go ahead and make 'em feel like sh\*t  
Stop it but you won't because you hate yourselves  
Images b\*tch!  
Sometimes I get so frustrated  
Haunting visions in the back of my mind,  
Oh, you struck a pose with your hand extended  
Open arms in an idiocratic ways  
You try to lie to yourselves  
But you can't break through  
That sacred wisdom of your spirit  
...Used...  
...Freak...  
Sometimes I would give anything just to be  
SSomething more than nothing
