When you're tired, it's not so near  
And I have gone away  
It's not so bad with you not here  
And I have gone to stay

Holy moses, rinse my ears  
And I have gone along  
When you're gone, I'll disappear  
And I'll hear you say

On and on  
And on and on  
And on and on  
And on and on  
On and on  
And on and on  
And on and on  
And on and on

Take your hand off of my head  
And I will go  
We lock eyes and knock our heads  
And I am bad at this

And I am not original  
And I am not an overtone  
Look up my dear and hold my close  
'Cause i will go back home

On and on  
And on and on  
And on and on  
And on and on  
On and on  
And on and on  
And on and on  
and on and on
