### "Undone"

I Feel Like I'm Going To Break Open Wide  
I Can't Stop The Walls From Burning, Swelling My Wide  
Eyes  
The Fear That I'm Fearing Now Is Crippling Me  
Leaving Me Broken, Shivering Here On My Knees

I Feel Like I'm Ready To Crack From Head To Heel  
Knowing I'll Never Reach All The Things That I Need To  
Feel  
And With The Way That It's Haunting Me And The Depth  
That It Runs  
I Am Amazed That It Took Me This Long To Come  
Undone

It's Raining On Me Now  
The Rain It Won't Stop

It's Raining On Me  
The Rain It Won't Stop

It Won't Stop  
It Won't Stop  
It Won't Stop
