I don't want to go to heaven  
I just want to have some fun  
If you really want to fuck me  
Oh Sheat! I go to hell!

Going straight  
Going straight

I don't want to go to heaven  
I just want to have some fun  
If you really want to fuck me  
Oh Sheat! I go to hell!

Going straight  
Straight to hell

I go to hell because I want some fun  
I go to hell because I want some fun

Going straight  
Straight to hell

I go to hell because I want some fun  
I go to hell because I want some fun

There  
Right there
