Radiation, deformation
Nuclear world damnation
Mushroom clouds rise with grace
Atomic winter here to stay

Blast from hell burns the world
Storms of death kill with hate
Demons attack with hunger
Satanic warfare by nuclear thunder

Death eruption, caustic weather
Black snow falling, hell is calling
Nuclear holocaust, crimson sky
Beloved paradise, here at last

Radiation, deformation
Nuclear world damnation
Mushroom clouds rise with grace
Atomic winter here to stay

Blast from hell burns the world
Storms of death kill with hate
Demons attack with hunger
Satanic warfare by nuclear thunder

Death eruption, caustic weather
Black snow falling, hell is calling
Nuclear holocaust, crimson sky
Beloved paradise, here at last
