This is the path of the strong  
Marked with glory and grace for long  
I have heard my destiny's voice  
And heard my master call, I will not fall, I will not fall

This is the path of the strong  
The road I was set to wander in  
With glory in sight and pleasure to sin  
I've wandered here for long, here for long  
I've wandered here for long

Branded with the devil's mark  
We know it's the sign of the dark  
Branded with the devil's mark  
We know it's the sign of the dark

Towards the end I carry on  
And with pride I march ahead  
Knowing my destiny has been inbred  
Knowing in fact that I've already won, I've already won

The star I beseech leads me through  
I know I'm among the chosen few  
And with pride I march ahead  
Knowing my destiny has been inbred

Branded with the devil's mark  
We know it's the sign of the dark  
Branded with the devil's mark  
We know it's the sign of the dark  
We know it's the sign of the dark

Branded with the devil's mark  
We know it's the sign of the dark  
Branded with the devil's mark  
We know it's the sign of the dark

Branded with the devil's mark  
We know it's the sign of the dark  
Branded with the devil's mark  
We know it's the sign of the dark

Branded with the devil's mark  
We know it's the sign of the dark
