I'm writing you this letter  
To reflect upon  
The night when the world  
Was lit by light  
And all was said in song

Yeah!

"Open the gates!"  
They screamed at last  
"Tonight, in this room,  
We will have our final chance."

Purgatory  
Can wait 'til morning  
There is no fear tonight

The sky is falling  
The sky is falling,  
But we don't care  
We'll still march on  
And you can't stop me now

And so, we danced  
Until the morning came  
And, when it did,  
Our hearts fell like rain

Purgatory  
Will come without warning  
Dance without fear tonight

The sky is falling  
The sky is falling,  
But we don't care  
We'll still march on  
And you can't stop me now

You can't stop me!

Give me your hand  
We'll make this last

Tonight, we're free  
Give me your hand  
We'll forget the past  
Tonight, we're free

The sky is falling  
The sky is falling,  
But we don't care  
We'll still march on  
And you can't stop me now
