They meet on the streets, after hours
Secret lovers living under cover
She's tired and frustrated and just cant bother
And instead of growing (on her) own shes growing out
of another.
And a second of cheating, me ask her why she
dreaming

She said the smartest people do some foolish things
And its all about feeling oh

Out on the road, john doe
Don't want his woman to know and so he keeps it on the
low
He's tired and frustrated and just nah go
Home tonight I'm gonna prowll tonight well
And second of cheating, me ask him why him
dreaming

He said the strongest people turning up weaklings
Anytime them get the craving

its hard in the game and S-craving , catch him and a
woman catch him
hard in the game and s-craving catch him and a man
catch him
an ancient game from them old time days
ask David, Solomon and Shiva
its all in the game, be careful of your play cuz
catch him and a woman catch him

(instrumental)

some keep it real and some keep the love true
some take it strait to where thing build night dues
some do it for the money some do it for the rush
some have love at first sight and fall in a crush (but)

and them said them love cheating, me ask them why
them dreaming
them said the smartest people do some foolish things
and its all about a feeling

out on the road, so it duh
don't want nobody to know that's why we keep it on the
low
the skies over fears, don't want it to show
it wont hurt a soul, if they don't know
some a do it through sneaking, me tell them why we
dreaming

the smartest people do some foolish things
any time they get the craving

its hard in the game and S-craving , catch him man a
woman catch him
hard in the game and s-craving catch him man a man
catch him
an ancient game from them old time days
ask David, Solomon and Shiva
its all in the game, be careful of your play cuz
catch him and a woman catch him

(instrumental)
