[INTRO]

Feels like, we've been together forever
And it looks like, we're gonna be together a lifetime...
baby
Feels like, we've found something to treasure... girl
And just like, a precious jewel you are to me.

Listen, it's plain to see there's chemistry,
With our love so naturally
A perfect blend of harmony,
I'm your words, you're my melody

'Cause when I'm down, you lift my spirit
All my pains are being erased
Loving you, is loving me
And you make it so easy.

Soulmate, no other like yah
No long, mi wan find yah(?)
You're my soulmate, 'cause oeh I need yah
Woman, come make mi please yah.
Soulmate, glad I found yah
No other like yah
You're my soulmate, 'cause oeh I need yah
Can't do without yah.

Now I found you girl,
Ain't gonna search no more
And you can rock my world,
Heaven must have sent yah

When I'm down, you lift my spirit,
All my pains are being erased
Loving you, is loving me,
And you make it so easy.

Soulmate, no other like yah
No long, mi wan find yah(?)
You're my soulmate, 'cause oeh I need yah
Woman, come make mi please yuh.
You're my soulmate, girl I love yah

No other like yah
You're my soulmate, 'cause oeh I need yah...
oeehhooeeehhooeeehh!

Hey!
Once in a while you find a love like this yah know
Woman the love we have we got to keep it, can't let it
go
I'll be your roaring lion, and I'll be your Romeo (?)
Love you everytime you need?

'Cause when I'm down, you lift my spirit
All my pains are being erased
Loving you, is loving me
And girl you make it so easy.

Soulmate, no other like yah
No long, mi wan find yah(?)
Soulmate, oeh I need yah
Woman, come and let mi please yah.
Soulmate, no other like yah
No long, mi wan find yah(?)
You're my soulmate, 'cause oeh I need yah
Never do without yah.

Now I found you girl
Ain't gonna search no more
And you can rock my world
Heaven must have sent yah

When I'm down, you lift my spirit
All my pains are being erased
Loving you, is loving me
And girl you make it so easy.

Soulmate, no other like yah
No long, mi wan find yah(?)
You're my soulmate, 'cause oeh I need yah
Can't do without yah.
Soulmate, no other like yah
No long, mi wan find yah(?)
You're my soulmate, 'cause oeh I need yah
Baby come and let mi please you...
