I have outlined the number of differences amongst the
slaves
I take these differences and make dem bigger
I use fear, distrust and envy
I am Willie Lynch, your greatest enemy
If yah see brother going down and you trying to push
him further
Yuh Willie Lynch, yes yuh Willie Lynch
Dem system set;
To keep the family out dere fighting and de slave
master rejoicing,
while we all are one skin
De system set;
I will never make a brother a victim, to keep the slave
master rejoicing
and we all are one skin
Hey out in de streets, yutes a hustle and a look food fi
eat; yeah!
And Babylon control dem thinking, put one against
anada
Sharpen dem teeth
It makes no sense; fighting fa master, wear out and
what left
Tell me who or what it profits yuh;
Ooh!
De system set;
To keep the family out dere fighting and de slave
master rejoicing,
and we all are one skin
De system set;
But I will never make a brother a victim, to keep the
slave master rejoicing
and we all are one skin
Hey in de race for a dollar, friends turn sour
Mama gainst dada
Hmm;
I tell yuh, gun shot shower; over rice and flour
Dis we caan allow no more
It makes no sense; fighting fa food i rather wait til
harvest
Tell me who or what it profits yuh;
Hey!

De system set;
To keep the family out dere fighting and de slave
master rejoicing,
and we all are one skin
De system set;
But I will never make a brother a victim, to keep the
slave master rejoicing
and we all are one skin
Give yuh a little power and de oppressed become de
oppressor
De slave master change him color
A little guy named Willie control yah head with de
better down syndrome
You Willie Lynch, yes you Willie Lynch
Hey out in de streets, yutes a hustle and a look food fi
eat
And Babylon control dem thinking, put one against
anada
Sharpen dem teeth
It makes no sense; fighting fa master wear out and
what's left
Tell me who or what it profits yuh;
Ooh!
De system set;
To keep the family out dere fighting and de slave
master rejoicing,
and we all are one skin
De system set;
But I will never make a brother a victim, to keep the
slave master rejoicing
and we all are one skin
Hire me becoz Iâ€™m fearer and thinner
And reject her becoz she fatter and blacker
You all Willie Lynch, yes yuh Willie Lynch, yuh Willie
Lynch
Getting de opportunity to pass yah degree does not
give yuh de rite to use it against me
I said yuh Willie Lynch, yes yuh Willie Lynch, yuh Willie
Lynch
Yeah Yeah!
Give I & I a listening ear
Jah
